

Newburgh Yacht Club General Meeting

March 15, 2019

7:04pm

The Vice- Commodore thanked Greg Dombroski for mediating between the club and the movie company. The 50/50 raffle tickets were passed out to attending members.

The Sect. ,Treas., and Purser reports were read with Motions made and Carried.

Fleet Capt.-Bill asked members to have boats ready and in running condition for launch dates which are the weekends of May- 4 and 11. If your boat is not in by May 12, late fees will be assessed . Also he needs current Ins forms. Take home shrink wrapping do not throw in the dumpster here. Fish slip boaters will be in soon.

Marina- In good shape after the winter. Only issues one piling is loose and a couple of brackets broke. Burying of D-Dock electric will start in April.

House- Bill reorganized kitchen , please keep it in order. Critter situation looks good, kitchen cabinets need vacuuming and bleaching . Hot water heater is leaking, new one scheduled to be installed.

Safety- Matt asks that we checks boat stands. Be aware of fuel expansion with full tanks with the warmer weather. And watch the top step by Pamela's.

Grounds- Jim will not be here for the 1st Work week.

Pool- Permits submitted for 2019. CPR classes set for late April. See the club website to volunteer. Finally more lounge chairs being ordered.

Rest.- Pamela is starting here 4th year on her lease. The was a parking conflict with the Feb dock party, we need to coordinate with her Valet service.

Work- Time cards are out, if time clock is not working write in the times. If there is a steady rain on Saturdays there will be no work program. Gas dock should go in the first week. See Frank Galli for work . Also the easel in the club room has projects to do. Jack St. John to replace the lights in the boardroom.

Social- Bill thanked the members that helped with the Feb dock party.

HRB&YC - The Vice- Commodore, his wife and I will be attending the Commodores Brunch at the Thayer Hotel at West Point.

Old Business- Old shrink wrapping goes home with you.

New Business- Central Hudson is offering a LED upgrade were looking into it. Gas line access being checked out as well.

Health & Welfare- Condolences were given to Jack St John & Mary Ellen, her Father past away. Moons doing better he was at the Feb. dock party.
