

## Newburgh Yacht Club General Meeting

June 19,2020

7:02pm

Thanks were given by the Commodore to the following people, Bill Chesser for getting the water turned on, the fuel system up and running early for the striper fisherman & repairing the men's shower valve and rebuilding the pump out motor. Capt. Bob and crew for re-decking the pontoon boat. S. Keeler for doing an extra sanitizing of the club for the past 3 months. Dan Galage for coordinating the fish slip program & launching process. Joe Falanga for digging deep and finding a solution so we don't have to spend money on the tunnel project. Mike Esposito for re-tooling his company to produce face shields for essential workers. F. Galli for running the work program single handedly, and lastly Brain & Diane Pine for the flower baskets on the front deck.

The Sect., Treas., and Purser reports were read with Motions made and carried.

Fleet Capt.-Dan said postings are current on the front board and use loud enough horns when entering & leaving the Marina-

House- Please don't throw paper towels down the toilets. Members asked if bleach solution & toilets brushes can be placed in the bathrooms. Our Insurance Company recommended the we install smoke detectors. A new AED will be purchased Cost \$1115.00

Safety- Matt has had the fire extinguishers certified and installed on the docks, he will, paint tops of the poles red to signify where they are in the Marina. Safety Ladder installed on B/C dock will see how it goes, then 2 more will

be installed then A dock. Solar lights to be installed on D-dock to provide more light. Finally if using jet skis or your boat and your not getting fuel stay away from the gas dock.

Marina- Gas Dock, pool wall and Commodores point to be repaired in July.

Fuel Dock- An Emerg. Fuel shutoff switch will be installed on the side of the gas dock with a light indicator, Pump out station is becoming a problem, please shutoff when your done using it. 90 degree nozzle installed on pump-out as well.

Pool- Orange Co. Board of Health requires members in the pool area wear masks when your not in the pool & keep 6 feet apart from other members, 18 allowed in pool area at a time.

Rest.- Under the lease Pamela is not responsible for rent during shutdown. The board forgave March rent. She will pay April -June when we install A/C in the bldg.

Work- Thanks went to Rich Bremer & Mike Cahill for help getting the pool ready for the summer, the Electricians, Mike Grueneri for his work on the shed & Dave Boswell for organizing the work closet. Work day is on Sat.(officially) ½ of your hours are to be in by July 1.

Social- Quiet.

Unfinished- Dan was thanked for D- dock work

New Bus.- Power Squadron- has scholarships open 16 years or older, info is on the front board. Elections in Oct. Capt. Bob & Ed O'Neill are on the committee, they have 2 Volunteers Gary Dugan & Matt Garrity need one more (member whose not running)

Health & Welfare- Doug Crispell sadly had bone cancer and had to have his leg removed, Bob Shute passed away &

Joey Esposito's dad passed as well. 1<sup>st</sup> day of Summer.

MT Adjourn- Jack St. John/ Bill Horton 8:11pm
