Chesser-D. Galage-Capt. Bob-R. Bremer-J. Dist.

The Comm. Read the Bills for payment- MTA  
S.Keeler-F.Galli

The Sect-Treas- reports were read.

Fleet Capt.- Current Ins. Forms were asked for. Charlie and his truck were thanked for helping with the launching of the boats in May

Membership- Interviews coming up. Bill Chesser was granted Life membership.

House- All supplies are current , new cover on men's room radiator still looks good. No critter sightings, waiting on D-Bend to install smoke detectors in the bldg. Outside soda Machine is not working ,Dave Blynn to check into.

Grounds- Dept of Agriculture removed the geese from our grounds.

Marina- Work to begin on the 3 projects. (Pool ,gas dock wall & Comm. Point) Motor on tug to be pulled out &we'll try to sell it, tug will be scrapped .New Jet ski operating rules to be brought up at General meet.

Fuel Dock- July 21<sup>st</sup> the gas lines will undergo a pressure test.

Work- Clean-up day cancelled. Fall clean-up still in effect (5 of your 20 hours)

Safety- 2 more ladders to be installed on B/C dock.  
Non-Skid strips to be installed on plastic sheet under the B/C ramp.

Pool- Due to the heavy rains the buildings gutter's on

the upper lot overflowed and washed dirt and mud into the pool. Filtering it out fast as possible.

Rest.-A/C estimates are being reviewed , need City permits and we will have to run and supply the power to the A/C units.

HRB&YC- Still quiet no meeting scheduled.

Social- Blessing of the fleet canceled. Games will be brought down to keep kids busy.

New Bus.- Couple of members are interested in running for Board positions.

MT Adjourn Bob Chesser / Capt. Bob 7:10pm
