The Comm. Reviewed bills for payment MTA Capt Bob / S. Keeler

The Sect. Treas. & Purser reports were read.

Fleet Capt.- Current Ins. Forms were asked for. Thanks were given to Capt. Bob for securing boats before the onset of the tropical storm.

Membership- Terry Ward is willing to give a fire extinguisher demonstration to members.

House- Quiet ,Outside Soda machine is broken & will be scrapped.

Grounds- There will be no more weed wacking west of the pool , pieces of rocks are going into the pool causing people to step on them and create holes in the liner. Trees by the rolling gate will be trimmed /cut to clean up the area.

Fuel Dock- Pump out & fuel pumps running well.

Rest.- A/C installed. G. Dombroski, F. Galli, S. Rockafellow, & Jack St. John for helping to pull wire for the A/C wiring.

Safety- Coast Guard Aux. did some boat inspections.

Pool- leak detector came in & found numerous holes in the line due to rocks entering the pool as a result of weed wacking. New Liner being looked into .Pool closing Sept 15.

Unfinished Bus.- Tug to be scrapped. Greg Dombroski is not running for Commodore, Vice Commodore also

vacant.

New Bus.- Shrink wrap time See Greg If Interested.

Social- \$75.00 were spent on games for clubhouse to keep kids busy.

Good & Welfare- Joe Falanga recovering.

MTA - Bob Chesser / S. Keeler 7:08 pm
